A&M Clubs Overview

A&M Clubs: *An extension of The Association of Former Students and Former Student Programs.*

A&M Clubs exist to connect former students, to promote Texas A&M University and The Association of Former Students around the world and to strengthen ties between former students and their communities. Managing an A&M Club is a big responsibility and requires the efforts of multiple board members working together in order to be truly successful.

A&M Clubs Overview (Cont.)

A&M Clubs Mission Statement: A&M Clubs are either geographical-based or corporate affinity groups that serve as a focus of all organized alumni activity and exist to facilitate the Aggie Spirit among their constituents. A&M Clubs are formed to support Texas A&M University, The Association of Former Students and their local Aggie Network. In doing so, they must:

1. Provide each former student with the opportunity to become a member of a worthwhile group, to add something to the group and to receive something of value from their relationship.
2. Represent in a manner that is appropriate to Texas A&M and The Association of Former Students.
3. Provide a forum through which Texas A&M can work to accomplish objectives vital to its future.

A full list of our A&M Clubs can be found at tx.ag/Clubs.

Roles and Responsibilities of an A&M Club President

As a member of the Leadership Council, A&M Club Presidents serve as an ambassador for The Association of Former Students, representing The Association to their A&M Club as well as representing their A&M Club back to The Association. All Leadership Council members will conduct themselves in alignment with Texas A&M's core values of excellence, integrity, leadership, loyalty, respect and selfless service and will work in the mutual best interest of Texas A&M University, The Association and their A&M Club.

All of us who represent The Association of Former Students have the opportunity to interact with many different people with connections to Texas A&M. A&M Club Charter Process Explained

A&M Club Classifications:

- There are four types of A&M Club classifications, each having their own set of support items and expectations: Gold Club, Maroon Club, Muster Club and Muster Group.
- Each A&M Club will self-identify with one of the four classifications below based on what best fits the A&M Club's needs and its ability to fulfill expectations.
- Once chartered, A&M Clubs will receive their annual Charter/Agreement paperwork via email from the Club Programs team each year. This email will include a link to submit your annual Charter/Agreement electronically. It is generally combined with Muster communications, which begin in November. Clubs are required to submit their paperwork annually either through the link below or by scanning their agreement and emailing to Clubs@AggieNetwork.com. **The preferred method is electronic submission using this provided [LINK](#).**

For reference, the entire Texas A&M Club Charter/Agreement Packet can be viewed at tx.ag/ClubCharterAgreement.

Note: When submitting annual agreement paperwork, A&M Clubs have an opportunity to change their classification level. For example, if an A&M Club starts or stops awarding scholarships, they would be eligible to move between classifications.

A&M Club Charter Process Explained (Cont.)

Gold Clubs, Maroon Clubs and Muster Clubs

- There are three levels of A&M Clubs: Gold Clubs, Maroon Clubs and Muster Clubs. Former students can serve as A&M Club leaders for Gold, Maroon or Muster Clubs. These A&M Clubs are tied to a geographic area.
- A full list of our A&M Clubs can be found at tx.ag/Clubs.

Muster Groups

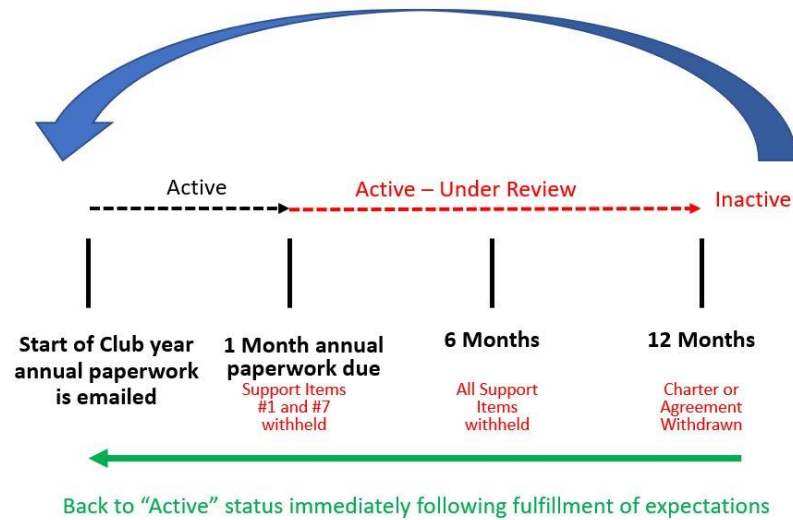

- Muster Groups have access to Association resources and support leading up to and during Muster. These groups are temporarily geographically based but are not chartered A&M Clubs.
- For example, an Aggie might file as a Muster Group if they were going to be on a cruise ship on April 21 with other Aggies and wanted to hold a Muster using Muster resources from The Association of Former Students.

Maroon A&M Club Expectations

The Association of Former Students provides a range of support items to our A&M Clubs. It is each A&M Club's responsibility, especially during transitions of leadership, to remain up to date on the expectations required of Clubs at the different levels of classification.

The Association of Former Students employs a Records team to help keep former students' contact information up to date. We know when former students move in and out of a Club's defined area, but a Club may leave great Aggies off your email or spam those who have moved if you use your own listserv. The Association is here to help and wants Clubs to be able to reach all Aggies currently residing within the Club's region, so please talk to your Club Programs liaison if you are using your own email listserv.

Note: Considering the implied endorsement of The Association of Former Students of Club mailings that we distribute, we reserve the right to approve and/or revise all content prior to distribution to ensure it complies with The Association's policies, as well as non-profit laws related to email marketing.

Support Item #1: Email Distribution Support (Cont.)

1. Draft and forward us your Club's proposed email

- Send your Club Programs liaison a draft of a fully-written email or bullet points with detailed “who,” “what,” “where” and “when” to Clubs@AggieNetwork.com. Once the information is received, we will create an appropriate email that we will return to you for approval.
- The email draft or bullet points of details must be received **5-7 business days** before the Club would like the email to be sent as we will need to reserve a time slot for electronic delivery with our Communications team. (See #3 below.)

2. We edit, proof and approve your email

- Once we have completed your email draft, we take the following steps:
 1. Send email back to you for proofing and approval.
 2. Submit your Club-approved draft to our Communications team to review the email for grammar, style, and compliance with The Association's policies and the laws that relate to email marketing.
 3. Once our Communication team has reviewed the email, it will be scheduled for delivery.

3. We schedule and send your email

- The Association of Former Students coordinates with Texas A&M University, the Texas A&M Foundation, the Bush School of Government and Public Service and various TAMU colleges and affiliates when scheduling our emails. At all points of use, Maroon A&M Clubs are required to submit a design proof for review and approval to The Association of Former Students. Contact your Club Programs liaison for assistance at Clubs@AggieNetwork.com. Please allow one-to-two weeks for this process to occur.

Support Item #5: Federally Registered Trademark and Word Mark Use Upon Approval (Cont.)

Logo Use - The logos for The Association of Former Students should never be altered from their original forms, including changes in type style, proportions, letter spacing or placement of the individual elements. A strong brand identity requires consistency. Any changes in the key graphic elements will dilute their impact and detract from The Association's brand consistency.

Primary Logo – Use the correct version of the preferred primary logo

- The primary logo with the Ring stacked on top of the words “The Association of Former Students” is preferred and should be used the majority of the time. There are standard and reversed versions of the primary, secondary and program logos. The standard logo should only be used in Aggie Maroon or black on light backgrounds. The reversed logo should only be used in white on dark backgrounds.
- Tip: The Ring in the logo should always be filled in with maroon or the dark color of the background. It should never be filled in with white.

Secondary Logo – Only use the secondary logo when required by space restrictions

- The secondary logo, which is ONLY to be used when the primary logo cannot be used due to space restrictions, is the version with the Ring to the left of the words “The Association of Former Students.”

Support Item #5: Federally Registered Trademark and Word Mark Use Upon Approval (Cont.)

Minimum Size & Space

- Minimum Size: $\frac{3}{4}$ "
 - The logo should not be reproduced smaller than $\frac{3}{4}$ " in width, unless otherwise approved by the Marketing and Creative Services team. Reducing the size reduces effectiveness and legibility.
- Minimum Spacing: $\frac{1}{3}$ of Width
 - To ensure the integrity of the logo and provide maximum impact in environments where it appears, clear space must be monitored on all sides of the logo. The minimum clear space required is relative to the size of the logo. The space on each side needs to be equal to $\frac{1}{3}$ of the total width of the logo.

Stylized Ring – Use requires special approval

- Any use of the stylized Ring as a single design element requires prior authorization from the Marketing and Creative Services team.

Support Item #5: Federally Registered Trademark and Word Mark Use Upon Approval (Cont.)

Prohibited Logo Use

- Do not alter the logo in any way
- Do not apply graphic effects or graphic elements to the logo
- Do not apply an outline to the logo or use an outline-only version of the logo
- Do not substitute other typefaces for the logotype
- Do not let the logo bleed off the page

Logo Use Approval – Logo use required approval from the Marketing and Creative Services team.

- To ensure branded content is used properly and in line with the brand identity of The Association, logo use must be approved by the Marketing and Creative Services team. Requests for logo files will be evaluated and distributed on a case-by-case basis.

Support Item #5: Federally Registered Trademark and Word Mark Use Upon Approval (Cont.)

A&M Club Specific Logo

- Each A&M Club has full rights to its own specific logo with the understanding the logo is associated with The Association of Former Students and Texas A&M University and should not be used in compromising or inappropriate situations.

NOTE: All incentive or promotional items using university marks must be produced by a licensed vendor. For questions, please contact Randy Reyes '01, the Director of Marketing at The Association, at RReyes01@AggieNetwork.com.

NOTE: Maroon A&M Clubs are granted the opportunity to use The Association's logo on a case-by-case basis. If you wish to use The Association's logo, please contact Randy Reyes '01, the Director of Marketing at The Association, at RReyes01@AggieNetwork.com.

Support Item #9: The Association of Former Students' Liability Insurance Policy

The Association's General Liability policy includes limited coverage for the Clubs and constituent networks; it is the intention of the insurance carrier to limit coverage to meetings, receptions, banquets and golf tournaments as these are the usual events sponsored by the Clubs and Constituent Networks. Special Events outside the operation of the above described such as carnivals, bonfires, rodeos, and other sporting events shall be separately covered through the procurement of a separate Special Event Liability policy.

The Association has Host Liquor Liability coverage, but only for receptions where there is no charge for admission nor for liquor. Coverage also applies to the annual Gala. So, if you are selling liquor (cash bar, etc.) or if it is included in the price of admission ticket, you should consider a separate Liquor Liability policy.
