Jimmy Williams '83, Ph.D., Wexford, PA

CHAIR OF THE BOARD

Kathleen M. Gibson '81

President and CEO – Southwestern Medical Foundation
Dallas, Texas

Kathleen will serve as The Association of Former Students' Chair of the Board in 2014. She was born in Bryan, Texas and lived several early years in Buenos Aires, Argentina, and Santo Domingo, Dominican Republic. She graduated from Texas A&M with a degree in agricultural economics and also attended school at SMU in Oxford and in Russia. Kathleen was named President and CEO of Southwestern Medical Foundation Oct. 1, 2012, after serving on the Board of Trustees, the Investments Committee, and as Executive Vice President beginning in March 2012. Prior to this role, Kathleen held numerous leadership positions during her 30 years in financial services with Citibank and Bank of America. She joined Citibank in November 2006, as Head of Citibank Texas Commercial and President of Citibank Texas. She was named President of the Central Division, Commercial Banking, in 2007 with responsibility for Citibank's Commercial Business in the Central U.S. Prior to joining Citi, Kathleen spent 25 years with Bank of America and its predecessor banks, where she held various leadership roles in Corporate Banking, Commercial Banking and Asset Management. She ran the Southwest Strategies and North Texas Commercial businesses for Bank of America during 2003 to 2006, and served as President of Bank of America, Dallas, during that time. In addition to serving on The Association of Former Students and Southwestern Medical Foundation Boards, Kathleen is a member of the Board of the Dallas Committee on Foreign Relations. She is also a member of Charter 100 and International Women's Forum–Dallas. She has been recognized as a 'Top 25 Industry Leader in Women in Business' by the Dallas Business Journal, and by the Profiles in Diversity Journal in the 10th Annual Women Worth Watching edition. A recipient of the Tyrus R. Timm Honor Registry Award, she serves on the Advisory Council for the Center for International Business Studies at Texas A&M and the Mays Business School Development Council. Kathleen and her husband, Robert, are proud to have two wonderful daughters, Catherine and Sarah '15.

CHAIR ELECT

Robert E. "Bo" Bradbury '89

Senior Vice President, Group Account Director – GSD&M
Austin, Texas

Bo will serve as The Association of Former Students' Chair Elect in 2014. Born and raised in the Houston area, he graduated from Texas A&M University in 1989 with a degree in marketing followed by an MBA from the University of Houston. He currently serves as Senior Vice President, Group Account Director for GSD&M, a full-service advertising agency that works with companies to discover, define, and communicate their core purpose. Over the course of his career, he has had the opportunity to work on behalf of some of America's most respected brands having led agency partnerships with for-profit, non-profit, government, and higher education clients. At GSD&M, this has included SBC Communications/AT&T, AARP, Barbasol, Dial, and Charles Schwab. His current focus is the agency's work with the U.S. Air Force. Bo also led the GSD&M team that created Texas A&M University's first branding campaign, "Welcome to Aggieland," in addition to working with The Association of Former Students on the Clayton W. Williams, Jr. Alumni Center building enhancement project. Before joining GSD&M, Bo held account management and market research positions at Fogarty Klein & Partners and Ogilvy & Mather where he worked on such diverse businesses as Pizza Hut, Randalls Food Markets, Tom Thumb and Shell Oil Company. Bo and his wife, Stacey, have two children, Paige and Jake.

IMMEDIATE PAST CHAIR

David A. Heath '76

Retired Vice President for Global Sales – Nike, Inc.
Bryan, Texas

David will serve as Immediate Past Chair of The Association of Former Students' in 2014. He was a National Merit Scholar and graduated Cum Laude from Texas A&M University in 1976 with a bachelor's degree in health and physical education, and earned a master's degree in the same field in 1979. He was Texas A&M's first full-time assistant athletic trainer and was later named Head Athletic Trainer for all men's and women's sports within the university. David spent eight years with Adidas before joining Nike as a regional apparel sales manager in Dallas in 1990. He directed Nike's U.S. territory sales, managed the U.S. equipment division and directed commerce in the Americas region before he became Vice President for U.S. Sales in 2004 where he led the wholesale business of Nike branded footwear, apparel and equipment sales. In February 2007, David was promoted to Vice President for Global Sales where he was responsible for more than \$16 billion in sales revenue in the four global operating regions. A community volunteer, David has been active with the Boy Scouts of America for many years. He serves on the Board of Directors for Louisville Slugger/H&B and Luke's Locker LLC. A third-generation Aggie, David followed in the footsteps of his father, James A. Heath '40 and two great uncles who graduated in the 1920s. He and his wife, Andrea, have two sons, Joel '05 and Todd '07.

PRESIDENT AND CEO

Porter S. Garner III '79

The Association of Former Students
College Station, TX

Porter graduated from Texas A&M University in 1979 with a B.B.A. in marketing and began his career with Hughes Tool Co. before joining The Association's staff as Field Director in 1981. After nearly 18 years of service to The Association, Porter was unanimously elected by the Board of Directors in January 2000 to lead the organization, making him only the seventh chief executive in this position in The Association's 134-year history. Today, he is leading initiatives to achieve The Association's vision to become the premier alumni association and enhance Association services and broaden the organization's reach and relevance to the worldwide Aggie Network. Porter serves as a non-voting member of The Association's Board of Directors and Executive Committee, working closely with the Board to ensure that donated funds are used in the most efficient and effective ways to benefit Texas A&M and the Aggie Network. Under his leadership, The Association has raised more than \$71 million in support of Texas A&M University. In addition, he has led The Association's fundraising efforts to raise more than \$31 million in capital and endowed gifts, including gifts for the enhancements to the Clayton W. Williams, Jr. Alumni Center—the premier alumni center in the world. Porter is a member of the Self-Governing Alumni Forum and the Council for Advancement and Support of Education. He serves on the board of directors for CASE District IV and the CASE Commission on Alumni Relations as well as the Boy Scouts of America Arrowmoon District. He is a past president of the March of Dimes and served on the Board of Directors of the Brazos Valley Rehab Center. Porter and his wife, Lisa '91, have three children, Claire, Callie and Porter IV.

Gregory M. Cokinos '79

Principal – Cokinos, Bosien & Young
Houston, Texas

Gregory graduated from Texas A&M University in 1979 with a bachelor's degree in business administration and received a J.D. from South Texas College of Law in December 1981. For more than 30 years, he has concentrated his practice in commercial litigation and transactions, both nationally and internationally. A founder of Cokinos, Bosien & Young, along with two other former students, his law firm has grown and is considered to be the largest law firm in Texas with a focus on construction and engineering law, having offices in Houston, Dallas and San Antonio. Gregory's experience includes all aspects of commercial and industrial real estate construction and development, including office buildings, high rise condominiums, health care facilities, power plants, processing plants, refineries, pipelines, highway construction, as well as offshore production and drilling platforms. Although his practice is concentrated in the area of construction and real estate development issues, the firm handles a wide range of litigation matters as well as contract negotiations, including significant cases in virtually every area of commercial law, securities fraud, patent infringement, employment, banking, franchise agreements and oil and gas. Gregory is a member of the American College of Construction Lawyers and was the first lawyer from the City of Houston inducted into this prestigious organization. He has been named as one of The Top 100 Super Lawyers in the State of Texas by *Texas Monthly* every year since 2007. He was instrumental in the creation of the *Construction Law Journal* and has been the *Journal's* only editor since creation. He is also an arbitrator for the American Arbitration Association, on both the commercial and construction panels, and for the International Center for Dispute Resolution, and served on the American Arbitration Association's Grievance Committee Panel for USA Track and Field. Gregory comes from a long line of Aggies, being one of 25-plus former students in his family. In addition to being an Endowed Century Club Member with The Association of Former Students, he served as the 2006 Chair of the 12th Man Foundation where he continues to remain actively involved. Married to the former Page Crowther, Gregory and Page have six children with the two oldest, Katherine '17 and Kyle '16 enrolled at Texas A&M.

C. Scott Eberhart '74

Pilot – Southwest Airlines
Granbury, Texas

Scott graduated from Texas A&M University with a bachelor's degree in civil engineering and later earned a master's degree in business management and administration from Webster College. As a student at A&M, he served as Corps Commander, was a Ross Volunteer, and a member of the Student Senate, SCONA and Town Hall. Scott was recognized as Who's Who in American Colleges and Universities upon graduation. In 1974, Scott was commissioned in the United States Air Force where he completed pilot training and became a pilot instructor followed by an assignment training instructor pilots. He separated from the USAF Reserve as a Major in 1992. From 1980-2005, Scott was a pilot for Delta Airlines where he served as Second Officer, Co-Pilot and Captain on several different aircraft. He became a Lead Line Check Airman and FAA Designee on the B 757 and 767 fleet. In 2006, he joined Southwest Airlines as a pilot. He is a member of the Southwest Irregularity Reporting System team, which audits pilot irregularity incident reports. Volunteering his time, Scott helped reorganize the Denton County A&M Club in 1985 and served as president for three years. He held several leadership positions within the Club until 1997. Scott served as the Area 33 Representative for The Association of Former Students from 1988-1993. Involved in his Class activities, Scott serves as one of four Class Agents for the Class of 1974. He was instrumental in the founding of the Ross Volunteer Association and is currently serving as its past president. Scott has been active in the Hood & Somervell County A&M Club, the Boy Scouts of America and the Optimist Club of Granbury. He is a member of the Acton United Methodist Church. He and his wife, Patty '76, have three sons: Brett '05, Tyler '08 and Cody '13.

Mark A. Fischer '72

Chairman, CEO and President – Chaparral Energy
Edmond, Oklahoma

Mark graduated from Texas A&M University in 1972 with a bachelor's degree with honors in aerospace engineering. He began his career with Exxon Company USA that same year in the Permian Basin of West Texas where he held various positions as production engineer, reservoir engineer, field superintendent and finally supervising production engineer. From 1977 until 1980, Mark served as the drilling and production manager for the West Texas and then Mid-Continent Divisions of TXO Production Corp. He held the position of division operations manager for Slawson Exploration Co. from 1980 until 1988, focusing on the Mid-Continent and Panhandle Divisions. In 1988, Mark founded Chaparral Energy where he has served as its President, Chief Executive Officer and Chairman of the Board since its inception. Chaparral is an independent oil and gas producer with headquarters in Oklahoma City, Oklahoma. Although predominately a Mid-Continent and Permian-Basin producer, the company has operations in eight states. Under his leadership, Chaparral Energy has grown in size to more than 800 employees in the company and has annual revenues in excess of \$500 million with an enterprise value approaching \$3.5 billion. Chaparral has received the Oklahoma City Metro 50 Award eight times and the prestigious Aggie 100 Award in 2006, 2007, 2008 and 2009. Mark is a member of the Society of Petroleum Engineers and the American Petroleum Institute (API). He served as a director of the API from 1984-1986. He currently owns and chairs the Board of Directors of Pointe Vista Development, LLC, Sumark Pharmacies, LLC and Dippin' Dots, LLC. He also sits on several non-profit organizations including the Boy Scouts of America. In 2012, Mark was a national finalist for the Ernst and Young Entrepreneur of the Year Award. Volunteering his time to Texas A&M, Mark serves on the Dwight Look College of Engineering Advisory Council and Texas A&M Energy Institute. Mark and his wife, SuSu, have two children: Scott and Christy Fischer Speakes '04.

Melissa A. Fisher '89

Chief Financial Officer – Gulf Coast Regional Blood Center
Houston, Texas

Melissa graduated with a bachelor's degree in business administration in accounting from Texas A&M University in 1989. As a student, she was a Fish Camp Chairman and College of Business Administration Fellow, served on the Muster Committee, and received the Buck Weirus Spirit Award. A Certified Public Accountant, a Chartered Global Management Accountant and a Certified Healthcare Financial Professional, Melissa currently serves as the chief financial officer of the Gulf Coast Regional Blood Center. She has the responsibility for business operations, risk management, disaster management (serving as incident commander during events), building and fleet management, strategic planning, and champions the Center's wellness initiative. She led the process to construct The Blood Center's first green building receiving Silver Leadership in Energy and Environmental Design (LEED) certification. The Blood Center awarded her the High Impact Award and named a fitness walk in her honor. Melissa is a member of the Greater Houston Partnership's Executive Women's Partnership and served on its steering committee for many years. She is a member of the Community Blood Centers' Exchange Finance Committee, and is a board member of the Bellaire United Methodist Church School for Little Children. She has been a member of the finance committee of America's Blood Centers and a member of the audit committee of the American Association of Blood Banks. She has served as a board member and is a past president of the Healthcare Financial Management Association (HFMA) - Texas Gulf Coast Chapter. She currently supports the chapter's strategic planning efforts and serves as a national awards judge. She was recognized for outstanding service by HFMA with the Medal of Honor Award. She also has achieved the status of a Fellow of the HFMA. Melissa was appointed to The Association of Former Students' Leadership Council as a Representative at Large in 2010. Melissa and her husband, Howard, reside in Houston.

Rudy Gómez '66

President – Gomez Mendez Saenz Inc.
Brownsville, Texas

Rudy graduated from Texas A&M with a bachelor's degree in architectural construction and went on to earn a second bachelor's degree in Architectural Design. As a student, he was a member of Corps of Cadets' Company D-2 for three years before transferring to H-2 his senior year. Upon graduation, Rudy worked for HUD in the Dallas/Fort Worth area before moving to the Rio Grande Valley. In 1973, he became a partner in Design Five Architects in Brownsville and was involved in the development of resort and retirement communities. In 1976, he began working with Balli & Associates that later evolved in to Gomez Mendez Saenz, Inc. For the past thirty years, Rudy has provided architectural and planning services to his South Texas clients who include 12 area school districts, 11 area housing authorities and several cities. Projects range from the \$7 million Special Events Center for the City of Brownsville and \$62 million Veterans High school for the Brownsville ISD to a single classroom for local school districts. The focus of his practice is centered on housing for the low income and educational facilities. Rudy is a member of the Texas Society of Architects, American Institute of Architects, American Institute of Certified Planners, and the American Planning Association. A long time supporter of Texas A&M University and active in the Aggie Real Estate Network and Texas A&M Hispanic Network, he is active in Cameron/Willacy County A&M Club, having served as president, vice president and chairman of the scholarship committee. Prior to his election to The Association of Former Students' Board of Directors, he served The Association as a Representative at Large. Rudy has three children Roman '87, Roan '89 and Robynne '10 and is married to Frances.

Glenn Hart '78

Chairman and CEO, Laredo Energy
Houston, Texas

As Laredo Energy's Chairman, CEO and a co-founder, Glenn Hart has contributed more than 30 years of experience to the company and its predecessor, as a successful developer of oil and gas resources throughout South Texas. Following graduation from Texas A&M University where he earned a Bachelor of Science degree in Petroleum Engineering, Glenn began his career as an engineer in the late 1970s with Tenneco Oil Co.'s Gulf Coast Division. He moved on to serve as an engineering manager for Sanchez-O'Brien Oil & Gas Company before founding Michael Petroleum in 1983. In 2001, Houston-based Michael Petroleum was sold to Calpine Natural Gas and, with other members of his management team, Glenn formed Laredo Energy. He holds membership in the Society of Petroleum Engineers and the Independent Petroleum Association of America. A sports entrepreneur, Glenn was the founding owner of the Laredo Bucks professional hockey team in 2002. He was also the founder of the Houston Aeros in 1994, and was a co-owner of the New Orleans Zephyrs AAA minor league baseball team. In addition, he was a founder of the Aerodrome Ice Skating Complexes and served as Chairman of Arena Ventures, which owned the Laredo Bucks. Arena Ventures also developed the Laredo Entertainment Center, now known as Laredo Energy Arena, and the surrounding property which is home to many varied sports and entertainment events. He was also a founder of the Spirit Ice Arena located in College Station and has served as a deacon of the Second Baptist Church of Houston. He currently is an Elder at Faith Bible Church of Brazos County, near their part-time residence at their ranch near Kurten, Texas. Glenn has previously served Texas A&M on the Board of Trustees of the 12th Man Foundation, the President's Corps of Cadets Board of Visitors, the Chancellor's Century Council, and the Industry Board of the Petroleum Engineering Department. Glenn and his wife, Lauren, reside in Houston and have three children, Michael '04, Katie Baskara '06 and Landon; and two grandsons, Caleb and Joshua Baskara.

David R. Lawhorne '86

Dallas, Texas

David graduated from Texas A&M University with a Bachelor of Business Administration majoring in Business Analysis (Management Information Systems). In addition to being a senior yell leader in 1985-1986, for the SWC champion and Cotton Bowl champion Aggie football team and the co-SWC champion basketball team, David served as an assistant director for Fish Camp. Other campus activities included Muster Committee, Parents' Weekend Committee, MSC Town Hall, Class Council, Athletic Council, and the Mays Business School Fellows Program. While attending Texas A&M, David was awarded the coveted Buck Weirus Spirit Award and Who's Who Among Students in American Universities & Colleges. David previously served as president and currently serves as vice president and board member for the Dallas A&M Club. He has been an athletic ambassador for the 12th Man Foundation as well as board member and past president of the Association of Former Yell Leaders. He also served as a Representative at Large for The Association of Former Students and since graduation, has been a Class Agent for the Class of 1986. David was honored in 2009 by the Dallas A&M Club with the Nugent Oliphant Award in recognition of his outstanding dedication, leadership, and spirit in service to this organization. In addition, he was honored as a Fish Camp namesake in 2010. David has resided in Dallas since leaving Aggieland; his professional career has encompassed more than two decades in the information technology (IT) arena, working as a systems engineer with Electronic Data Systems and senior consultant and manager with Unisys Corp. He recently graduated with a Master of Business Administration (MBA) from Southern Methodist University's Cox School of Business with a concentration in finance and emphasis in real estate. During his tenure at SMU, David received Dean's Circle recognition by the Edwin L. Cox Business Leadership Center.

Cathy Mann '92

Senior Director, Global Marketing & Strategy – Halliburton
Kingwood, Texas

Cathy graduated from Texas A&M University with a bachelor's degree in Journalism in 1992 and went on to earn an MBA from Rice University in 2011. While at Texas A&M, she was active in Student Government Committees, Zeta Tau Alpha sorority, served as a Fish Camp counselor, and was a member of the Aggieland yearbook staff. She currently serves as Senior Director of Global Marketing & Strategy at Halliburton where she leads the company's global marketing strategy and execution, including industry communications, corporate events, branding and advertising, and digital marketing. She also drives the marketing strategy for the company's unconventional, deepwater and mature assets business. Previously, she led a product line's marketing strategy and directed the company's global public/media relations, community relations and employee communications functions. She also managed Halliburton's relationship for leadership and executive training with Texas A&M University, and served as Vice President and Secretary for Halliburton Foundation Inc. She has broad experience in all aspects of corporate communications and human resources management, and has completed global work assignments in the U.S., Europe and the Middle East. In 2011, Cathy was named as one of the 'Women Worth Watching' by the *Profiles in Diversity Journal* and has received many other awards including the Quill Award from the International Association of Business Communicators, the Excalibur Award from the Public Relations Society of America, and Best of Texas and Silver Spur honors from the Texas Public Relations Association. While at Rice University, she received the Jones Citizenship Award and the M.A. "Mike" Wright Award for leadership excellence and exemplary service to the Jones Graduate School of Business. Cathy is a registered descendant member of the Daughters of the American Revolution and serves on the board of directors for the Girl Scouts of San Jacinto Council. Cathy and her husband, Stan, reside in Kingwood.

A. Dwain Mayfield '59

Retired Vice President, Marketing Initiatives – Lockheed Martin Aeronautics
Weatherford, Texas

Dwain graduated from Texas A&M with a Bachelor of Science degree in Civil Engineering and went on to earn a master's degree in civil engineering in 1961. He also attended Texas Christian University, where he earned a master's degree in business administration in 1973. He later completed the TCU Ranch Management program in 2005. Dwain joined General Dynamics in 1961 as a design engineer. He was one of the lead engineers on the highly successful F-16 aircraft program. After working in a variety of engineering, business development, and marketing roles, Dwain was appointed Vice President of Program Development for the Fort Worth division of General Dynamics. In this role, he led a team that was responsible for the worldwide marketing of the F-16 aircraft. He maintained this role when Lockheed Martin acquired the Fort Worth operation in 1993. Dwain later moved from this position to a special assignment as Vice President, Marketing Initiatives, where he reported to the President of Lockheed Martin Aeronautics and served as a senior advisor for a variety of Lockheed Martin fighter and transport business initiatives. Volunteering his time at Texas A&M, he is currently a member of the President's Advisory Council, the Chancellor's Century Council and serves on the Dwight Look College of Engineering Advisory Council. He also serves on the International Programs Advisory Board, the Development Council of the Bush School of Government and Public Service, and is an emeritus member of the Private Enterprise Research Center board. Dwain and his wife, Lynda, have endowed several engineering and study abroad scholarships. They have one son, David, and they balance their time between their home in Weatherford and their ranch near Stephenville. Dwain is active in his own international consulting business. In addition to his volunteer work at Texas A&M University, he is active in a variety of roles at Tarleton State University that is near their family ranch in Erath County.

Phil Miner '80

Vice Chairman – Material Handling Services, LLC
New Braunfels, Texas

Phil's love for the world's oceans led him to Texas A&M University where he graduated with a degree in ocean engineering. In 1994, he launched The Miner Corp., a leading national provider of mission-critical facilities services and asset management solutions for retail, distribution, manufacturing, healthcare and hospitality companies. Today, the company serves more than 250 of the Fortune 500 throughout North America, and has been recognized by the Aggie 100 and among the top 500 fastest-growing private companies in America by *Inc. Magazine*. In 2012 The Miner Corp. merged with Total Fleet Solutions, a portfolio company of CI Capital Partners of New York. Today Phil serves as Vice Chairman of the parent company—Material Handling Services, LLC. This combination of companies creates the nation's largest brand independent provider for the procurement, asset tracking, and aftermarket support of material handling equipment in the U.S., Canada, Mexico and the Caribbean. Phil was selected by an independent panel of judges as a finalist for the Ernst & Young Entrepreneur of the Year award and serves on various advisory boards including San Antonio Sports and the Mays Business School's Center for New Ventures and Entrepreneurship. He and his wife, Sue Ellen '81, have three children: Brady, Nicholas '10 and Mallory '12.

Michele A. Mobley '87

Partner – DuBois, Bryant and Campbell LLP

Austin, Texas

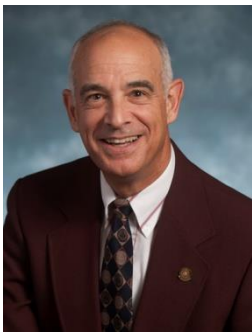

Michele graduated *cum laude* from Texas A&M University in 1987 with dual degrees in philosophy and physics. As a student, she received the Gathright Award in the College of Liberal Arts as well as the Buck Weirus Spirit Award. Michele went on to earn a J.D. degree with honors from Duke University where she was a member of the Duke Law Journal and was elected to the Order of the Coif. Practicing in the area of estate planning, Michele serves as a partner with DuBois, Bryant and Campbell LLP in Austin. Licensed to practice in Texas, New York and Florida and before the U.S. Tax Court, she is board certified in estate planning and probate law by the Texas Board of Legal Specialization and is a member of the College of the State Bar of Texas. She has been selected by her peers as a Best Lawyers in America, and as a Texas Super Lawyer in the area of estate planning and probate. Michele is AV Preeminent rated by Martindale Hubbell legal directory. Her practice encompasses a wide range of estate planning subjects, such as wills drafting, trust drafting, estate and trust administration, estate tax, fiduciary income tax, business succession planning, charitable planning and advising non-profits. Michele is a member of the Austin Bar Association, American Bar Association, State Bar of Texas (Chairman, Estate and Inheritance Tax Committee, Section of Taxation, 2000), and The National Committee on Planned Giving. In addition to serving as a member of Duke University's Estate Planning Council, she is also a member of the Texas A&M Foundation's Planned Giving Council and Texas A&M's College of Liberal Arts Dean's Development Council. Michele has three children, Maryam, Adam '16 and Sami.

Roberto Monterroso '73

President and Partner – Construcciones y Proyectos, S.A.
Guatemala City, Guatemala

Roberto graduated *magna cum laude* with a Bachelor of Science in civil engineering in 1973 and earned a master's degree in the same field in 1974. He later completed a master's degree in banking and finance at the Instituto Centroamericano de Administración de Empresas in Guatemala. Roberto is president and partner of Construcciones y Proyectos, S.A., a construction company he founded in 1977 which has built hospitals, housing developments and commercial warehousing projects. He also serves as president and partner of Ingenieros Estructurales, S.A. (INGESA), a company he founded in 1978 that designs hospitals, commercial centers, office buildings, banks, hotels and resorts in Guatemala. INGESA also designs mini hydroelectric projects, both private and community owned, and port infrastructure projects. Roberto is a past board member of the Banco de la Construcción and currently serves on the board and as a partner in several real estate development companies in Guatemala. He was the Executive Director of the National Committee for the Evaluation of the Damages caused by the earthquake of 1976, as established by the Guatemalan Ministry of Communications and Public Works. Serving Texas A&M, Roberto is a past member of the Board of Advisors for International Programs, past and current president of the Guatemala City A&M Club and has served as the Club's Muster Chair, Muster speaker and liaison for ongoing programs between Texas A&M and Francisco Marroquin and Del Valle Universities. He is a co-founder and a current member of the board of the Guatemala A&M Foundation. Roberto and his wife, Joanne, have three children, Maria José, Joanne and Carlos Roberto.

MG (Ret) David Rubenstein '77
Universal City, Texas

David graduated from Texas A&M University in 1977 with a degree in health education. As a student, he was the commanding officer of Rudder's Rangers. A graduate of the Army War College, he also earned master's degrees in health administration from Baylor University and military art and science from the Army's Command and General Staff College. David most recently commanded the U.S. Army Medical Department Center and School and served concurrently as the Chief of the Army Medical Service Corps. Prior to this appointment, he served as the Army Deputy Surgeon General as well as the Commanding General of Europe Regional Medical Command (Heidelberg, Germany) and Command Surgeon for U.S. Army, Europe and 7th Army. David received the 2007 Outstanding Federal Healthcare Executive Award from the Association of Military Surgeons of the United States and the highest recognition of the American College of Healthcare Executives, its Gold Medal Award. His other honors include being the inaugural recipient of the U.S. Army Medical Service Corps Mentor of the Year Award, induction into the Army Medical Department's Order of Military Medical Merit, and the Medical Service Corps Chief's Award of Excellence. He is listed in five Who's Who publications and was included twice in Modern Healthcare's list of the 100 most influential people in Healthcare. His professional credentials include being a board certified healthcare executive who is a past chairman of the 37,000-member American College of Healthcare Executives. In addition to having served The Association of Former Students as a Representative at Large, he served as Muster Chair in Fort Bragg, NC; Seattle-Tacoma, WA; and Hurtgen Forest, Germany. He is a member of the Corps of Cadets Association and is a guest lecturer to Texas A&M's Army ROTC cadets and School of Rural Public Health. David was honored as an Outstanding Alumnus by the College of Education and Human Development in 2007. He and his wife, Pat, have two children, Sarah '04 and William.

Jimmy Williams '83
Vice President – Pall Corp.
Wexford, Pa.

Jimmy graduated from Texas A&M University with a bachelor's degree in mechanical engineering and went on to earn a Master's of Business Administration in Marketing and Management from Lindenwood College and a Doctorate of Science degree in Engineering and Policy from Washington University. He joined Pall Corp. in 2012 as Vice President, Global Engineering where he leads the 750-member engineering function with a focus on driving Pall's global growth initiatives across its Life Science and Industrial Products business. Prior to joining Pall Corp., Jimmy spent 10 years with Alcoa where he served as Director of Development and Defense. During this time with Alcoa, Jimmy led all facets of business and technology management, including innovation management, portfolio management, market analysis and product development, budgetary and project management, engineering design, production operations, quality systems, people development, and labor relations. During his distinguished career at The Boeing Co., he held a number of significant research and development and program management assignments. Jimmy also lectures in the Engineering and Technology Innovation Management graduate program at Carnegie Mellon University in Pittsburgh. A selfless servant to Texas A&M, Jimmy served on the Department of Mechanical Engineering Industry Council and was a National Representative for The Association of Former Students prior to his election to the Board. He and his wife, Valerie, have two children, Danielle and Justin.
